

The Coronavirus (COVID-19) pandemic is continuing to progress throughout our state. Every day we are facing new cases – with that comes news updates, information, new guidelines and recommendations to follow. As per Governor Wolf’s instructions, our physical office locations are closed; however, our staff is working remotely, and are available to assist you. Please call our office with any questions as we are here to assist you. If there is no answer, leave a message and we will return your call ASAP. To contact your customer servicing agent directly, email would work best. You can find the email contacts on our website. We are doing our best to keep the lines of communication open and available. Stay healthy - wash your hands frequently, avoid touching your eyes, nose and mouth, and limit close contact with others. For the latest updates on the COVID-19 pandemic, go online to www.cdc.gov.
